**(Non-refoulement Claim on applicable grounds
other than torture risk under Part VIIC of the
Immigration Ordinance, Cap. 115)**

Name of Claimant: _____
(Family name/Surname, Given name)

Please read the guidelines for completion of this form at pages 2, 3, 4, and 5 before answering any question.

Guidelines for Completion of this Form

1. This form is for you to provide information relating to your non-refoulement claim on applicable grounds including risk of your rights not to be subjected to violation of your absolute and non-derogable rights under Section 8 of the Hong Kong Bill of Rights Ordinance, Cap. 383 (“HKBORO”) (such as the right to life under Article 2 and right not to be subjected to torture or cruel, inhuman or degrading treatment or punishment (“CIDTP”) under Article 3), and or persecution with reference to the non-refoulement principle under Article 33 of 1951 Convention relating to the Status of Refugees (“the 1951 Refugee Convention”) (collectively referred to as “all applicable grounds”) being violated by the Risk State in addition to the information that you have supplied in your completed Torture Claim Form (including the Questionnaire as defined under Schedule 4 of the Immigration Ordinance, Cap.115 (“the Ordinance”) which is taken to be a Torture Claim Form under the same schedule) (if one was indeed completed) and any subsequent interview(s) in relation to your non-refoulement claim on the ground of torture risk under Part VIIC of the Ordinance.
2. You have been served with a Notice entitled “Notice to Persons Making a Non-refoulement Claim” (hereinafter referred to as “the Notice”) which you should (or should have through an interpreter) read carefully before completing this form. You may refer to paragraphs 9 to 13 of the Notice for definitions and relevant provisions of grounds of non-refoulement protection to be considered by the Immigration Department (“ImmD”).
3. This form must be completed fully in English or Chinese. It must be returned to the ImmD together with all documents supporting the claim that are readily available to you when this form is completed either by post or in person to the Removal Assessment Section (“RAS”) at 8th Floor, Enforcement Tower, Immigration Headquarters, 61 Po Yap Road, Tseung Kwan O, New Territories **within the period prescribed by the ImmD.** If you cannot meet the prescribed time limit, you must make an application for an extension of time in writing prior to expiry of this time limit and should provide full explanation for why you cannot do so. Any request for extension will be considered on its own merits and may only be approved if it is satisfied that you have exercised, or had exercised, all due diligence to return the completed claim form but will not be able to, or failed to, do so within the time limit because of circumstances beyond your control. You should not assume that your application for extension of time will definitely be approved and hence an application for extension must be made as soon as possible once you have exercised, or had exercised, all due diligence but there are circumstances beyond your control which may prevent you from returning the completed claim form in time. It is always your duty to ensure that the completed claim form is returned to the RAS within the required time period and hence it is at your own risk that your non-refoulement claim will be deemed withdrawn on failure to return the completed claim form within the prescribed period if your current application for extension of time is subsequently not approved. If you are unable to return this form due to serious illness, you should produce the medical certificate for verification.

4. In completing this form, it is important for you to include all material facts and events relevant to your non-refoulement claim, irrespective of whatever ground(s) you seek to rely on to seek protection. You may enlist the help of your legal representative in completing this form. The information provided will form the basis upon which your claim is investigated, upon which you may be required to attend an interview at the date, time and place specified by an immigration officer in the written request to provide information and answer questions relating to your claim and a decision whether to accept your claim as substantiated or reject your claim will be made. If necessary, please use additional sheets to provide any further information which you consider relevant to your claim and indicate the total number of additional sheets attached at question 73 below. You may refer to your completed Torture Claim Form, if any, and supplement information in completing this form if you do not wish to repeat certain details of your claim.
5. It is important that you answer ALL the questions in this form truthfully. You will be liable to the offence of making false statements, forgery of documents and use and possession of forged documents or of misleading any member of the Immigration Service by making a false statement or giving false information at this or ANY stage in the screening process. It may also adversely affect your credibility and prejudice your claim.
6. You must return this completed form together with all documents supporting the claim that are readily available. You should provide English or Chinese translation if any evidence or documents are in other languages and submit them without delay. If the evidence or any other document(s) is not readily available and may only be submitted after returning this form, you must, upon return of the completed form, clearly indicate in writing your intent to submit further supporting document(s) at a later stage. Depending on individual circumstances, you will be given a reasonable opportunity to submit further supporting document(s) after returning this completed form.
7. All information provided in this form and your completed Torture Claim Form, if any, will be used only for the purposes of assessing your non-refoulement claim or in the investigation of other non-refoulement claims where a claimant is related to you or where the claim is in some way linked to you, and other directly related purposes. The information may be disclosed to other Hong Kong Special Administrative Region (the “HKSAR”) Government (“HKSARG”) departments / bureaux, agencies, authorities, international organisations or other bodies where necessary for immigration and nationality purposes or to enable them to carry out their functions, or to secure entry facilities for repatriation. If a medical examination is to be conducted for the purpose of assessment of your non-refoulement claim, the information may also be disclosed to relevant persons, bodies or organisation in charge of the medical examination where necessary. As a general rule, neither the information indicating that you have made a non-refoulement claim under the Unified Screening Mechanism nor any information pertaining to your non-refoulement claim will be provided to the government of any country which you claim as Risk State(s) in respect of which you have made a non-refoulement claim (except in cases where you are a person whose surrender is requested in surrender proceedings where the HKSARG must fulfill legal obligations under the relevant fugitive offenders agreement(s)). In addition, nothing at all said by you in this form will be used against you in any subsequent criminal proceedings of any nature except an attempt to pervert the course of

justice, or a charge of making false statements, forgery of documents and use and possession of forged documents for the purposes of or in connection with Part VIIC of the Ordinance (if applicable) or of misleading of any member of the Immigration Service by making a false statement or giving false information, or where ordered by the Court.

8. Warning: If you fail to return this completed form (and, if you have a torture claim which, being a claim that has not been withdrawn / treated as withdrawn, has not been determined by the ImmD as at the date when this form is served on you, the Torture Claim Form) within the prescribed time limits (including any further period allowed by us), your non-refoulement claim will be treated as withdrawn. Any subsequent request for re-opening your claim which is treated as withdrawn will not be allowed unless you can provide sufficient evidence in writing to satisfy an immigration officer that you had exercised all due diligence but failed to return the completed form as required because of circumstances beyond your control. For the avoidance of doubt, where a non-refoulement claim is treated as withdrawn, it is treated as withdrawn in its entirety on all applicable grounds.
9. The 1951 Refugee Convention or its 1967 Protocol has never been applied to Hong Kong; the HKSARG has a firm policy of not determining the refugee status of nor granting asylum to anyone. If your non-refoulement claim has been substantiated on grounds of, *inter alia*, persecution risk, your personal information may be passed to the United Nations High Commissioner of Refugees (UNHCR) for the purpose of considering if you should be recognised as a refugee under its mandate, and (if so) for seeking durable solution for you, including arrangement of resettlement in a third country. The UNHCR may further pass the information to overseas authorities for this purpose.
10. The provision of information in this form is voluntary. Nevertheless, it is your duty to provide all information relevant to the claim and make prompt and full disclosure of all material facts in support of the claim, including any document supporting those facts, irrespective of whatever ground(s) you seek to rely on to seek protection. You are therefore reminded that failure to provide sufficient details relating to your identity or the claim may jeopardize the assessment of your claim or your appeal / petition (if any). You should also be aware that any failure to answer questions of importance to your claim may damage your credibility and jeopardize the assessment of your non-refoulement claim. Furthermore, you may not be allowed to furnish additional facts after your claim has been determined, notwithstanding subsequent developments in relevant law, jurisprudence, or policy (except where such facts and events occur after you have completed this claim form which will be dealt with as a subsequent claim).
11. For those claimants who are minors or in other disabilities and have difficulties in completing this form on their own, this form may be completed by their parents, guardians or other adults who are responsible for their welfare on their behalf.
12. Please be reminded that the ImmD's determination, if any, as regards your torture claim will be unaffected.

Points to note:

- You must duly complete and sign this form. Do not leave any questions

unanswered. Insert 'none' or 'not applicable' where appropriate. **Insert “refer to torture claim form” where the answer is already fully set out in your completed Torture Claim Form.**

- You should give as much relevant details as possible and be truthful as regards the information you provide.
- You may submit the documents supporting the claim that are not readily available at this stage after the return of this form. You must clearly indicate such intention in your answer to Question 34 below.
